

Ingredients List - Benefits & Function

1. Acai
2. Aloe Vera
3. Alfalfa
4. Almond Oil
5. Argan Oil
6. Burdock
7. Calendula
8. Castor
9. Chamomile
10. Comfrey
11. Fenugreek
12. Flax Seed
13. Ginger
14. Horsetail
15. Jojoba
16. Kelp
17. Nettle
18. Oatstraw
19. Passion Fruit
20. Peppermint Essential
21. Rice Bran
22. Vitamin E

1. Acai Palm Fruit Oil: (in Shampoo + Conditioner)

- Benefits for hair and scalp care: Acai palm fruit oil is known for its moisturizing and revitalizing properties. The presence of vitamin E helps in repairing damaged hair follicles, promoting a healthy scalp. Vitamin C aids in collagen production, ensuring that the hair remains strong and resilient. Potassium maintains the hydration of the scalp, while calcium contributes to hair growth and strength.

- Minerals: Rich in minerals such as potassium and calcium.
- Vitamins: Contains a high concentration of vitamin E and vitamin C.

2. Aloe Barbadensis Leaf Juice: (in Conditioner + Moisturizer)

- Benefits for hair and scalp care: Aloe vera is well-known for its soothing and moisturizing properties. It helps in balancing the pH of the scalp, promoting healthier hair growth. Vitamin A supports the production of sebum, ensuring the scalp remains moisturized, while vitamin C aids in collagen production, promoting hair strength. Vitamin E nourishes the scalp and strengthens hair follicles, reducing hair fall.

- Minerals: Contains minerals like calcium and magnesium.
- Vitamins: Contains vitamins A, C, and E.

3. Alfalfa Extract: (in Conditioner + Moisturizer + Scalp Massage Oil)

- Benefits for hair and scalp care: Alfalfa extract is rich in nutrients that promote hair growth and overall hair health. Vitamin A supports the production of sebum, keeping the scalp moisturized and healthy. Vitamin C aids in collagen production, promoting strong and resilient hair. Vitamin K supports blood circulation in the scalp, promoting healthy hair growth.

- Minerals: Rich in minerals such as iron and zinc.
- Vitamins: Contains vitamins A, C, and K.

4. Almond Oil: (in Hair Growth Oil + Scalp Massage Oil)

- Vitamins: Contains vitamins E and D.
- Minerals: Contains minerals like calcium and magnesium.
- Benefits for hair and scalp care: Almond oil is known for its moisturizing and emollient properties. Vitamin E nourishes the scalp and strengthens hair follicles, reducing hair

fall. Vitamin D is crucial for hair follicle cycling and hair growth. The presence of minerals like calcium and magnesium contributes to maintaining a healthy scalp and promoting hair strength.

5. Argan Oil: (in Hair Growth Oil)

- Benefits for hair and scalp care: Argan oil is known for its moisturizing and nourishing properties that improve hair elasticity and manageability. Vitamin E nourishes the scalp and strengthens hair follicles, reducing hair fall and promoting healthy hair growth.

- Minerals: Contains minerals like fatty acids and antioxidants.

- Vitamins: Contains vitamin E.

6. Burdock Extract: (in Shampoo + Conditioner + Moisturizer + Scalp Massage Oil)

- Benefits for hair and scalp care: Burdock extract helps to improve scalp conditions by reducing itchiness and dandruff. The presence of vitamins B1, B2, and B3 assists in strengthening hair and improving its texture. Iron promotes hair growth by ensuring proper oxygen supply to hair follicles, while copper aids in the production of melanin, the pigment that gives hair its color.

- Minerals: Rich in minerals such as iron and copper.

- Vitamins: Contains vitamins B1, B2, and B3.

7. Calendula Officinalis Flower Oil: (in Shampoo + Conditioner)

- Benefits for hair and scalp care: Calendula oil helps soothe the scalp and reduce inflammation, making it effective in treating dandruff and dry scalp. Vitamin A supports the development of healthy scalp cells, while vitamin E nourishes and strengthens hair follicles.

- Minerals: Contains minerals like manganese and zinc.
- Vitamins: Contains vitamins A, B, and E.

8. Castor Oil: (in Hair Growth Oil)

- Benefits for hair and scalp care: Castor oil is known for its moisturizing and nourishing properties, promoting hair growth and reducing split ends. Vitamin E nourishes the scalp and strengthens hair follicles, reducing hair fall.
- Minerals: Contains minerals like ricinoleic acid and omega-6 fatty acids.
- Vitamins: Contains vitamins E and K.

9. Chamomile Extract: (in Scalp Massage Oil)

- Benefits for hair and scalp care: Chamomile is known for its soothing and anti-inflammatory properties that promote scalp health. Vitamin A helps in the production of sebum, ensuring the scalp remains moisturized and healthy.
- Minerals: Contains minerals like magnesium and potassium.
- Vitamins: Contains vitamins A and B.

10. Comfrey Extract: (in Shampoo + Moisturizer + Hair Growth Oil)

- Benefits for hair and scalp care: Comfrey extract is known for its ability to promote hair growth and strengthen hair follicles. Vitamin A helps in the production of sebum, keeping the scalp moisturized, while vitamin C aids in collagen production, promoting healthy hair growth.
- Minerals: Contains minerals such as calcium and potassium.

- Vitamins: Contains vitamins A, C, and B12.

11. Fenugreek Extract: (in Shampoo + Hair Growth Oil)

- Benefits for hair and scalp care: Fenugreek extract is known for its ability to strengthen hair roots and prevent hair loss. The presence of vitamin A aids in the production of sebum, ensuring the scalp remains moisturized and healthy. Vitamins B1 and C contribute to overall hair health and support the production of keratin, the key structural component of hair.

- Minerals: Rich in minerals such as iron and magnesium.

- Vitamins: Contains vitamins A, B1, and C.

12. Ginger Extract: (in Conditioner + Scalp Massage Oil)

- Benefits for hair and scalp care: Ginger extract is known for its stimulating properties that improve blood circulation to the scalp, promoting hair growth. Vitamins B3 and B6 strengthen hair follicles and prevent hair loss. Vitamin C aids in collagen production, ensuring hair strength and resilience.

- Minerals: Contains minerals such as potassium and manganese.

- Vitamins: Contains vitamins B3, B6, and C.

13. Horsetail Extract: (in Conditioner + Hair Growth Oil)

- Benefits for hair and scalp care: Horsetail extract is known for its high silica content, which strengthens hair strands and promotes hair growth. Vitamin A supports the production of sebum, ensuring the scalp remains moisturized. Vitamin C aids in collagen production, promoting strong and resilient hair. Vitamin E nourishes the scalp and strengthens hair follicles, reducing hair fall.

- Minerals: Contains minerals like silica and selenium.
- Vitamins: Contains vitamins A, C, and E.

14. Jojoba Oil: (in Scalp Massage Oil)

- Benefits for hair and scalp care: Jojoba oil closely resembles the natural oils of the scalp, making it an excellent conditioner that helps maintain the scalp's natural balance. Vitamin E nourishes the scalp and promotes healthy hair growth.

- Minerals: Contains minerals like zinc and copper.
- Vitamins: Contains vitamin E.

15. Kelp Extract: (in Shampoo + Conditioner + Moisturizer + Hair Growth Oil)

- Benefits

for hair and scalp care: Kelp extract is beneficial for maintaining scalp health and preventing hair loss. The presence of vitamins A and E nourishes the hair follicles, promoting healthy and strong hair growth. Vitamin C aids in the production of collagen, ensuring the integrity of the hair structure.

- Minerals: Rich in minerals like iodine and iron.
- Vitamins: Contains vitamins A, C, and E.

16. Linum Usitatissimum (Flax Seed) Seed Oil: (in Shampoo + Conditioner + Moisturizer)

- Benefits for hair and scalp care: Flax seed oil is known for its moisturizing and anti-inflammatory properties, making it beneficial for dry and irritated scalps. Vitamin E promotes blood circulation in the scalp, aiding in healthy hair growth.

- Minerals: Contains minerals like magnesium and manganese.

- Vitamins: Rich in vitamin E and vitamin B.

17. Nettle Extract: (in Hair Growth Oil)

- Benefits for hair and scalp care: Nettle extract is known for its ability to promote hair growth and prevent hair loss. Vitamin A aids in the production of sebum, ensuring the scalp remains moisturized and healthy. Vitamins C and K support blood circulation in the scalp, promoting healthy hair growth.

- Minerals: Contains minerals like silica and iron.

- Vitamins: Contains vitamins A, C, and K.

18. Oatstraw Extract: (in Moisturizer + Scalp Massage Oil)

- Benefits for hair and scalp care: Oatstraw extract is known for its soothing and nourishing properties. The B vitamins contribute to maintaining healthy hair, while minerals like magnesium and zinc help in strengthening hair strands and preventing breakage.

- Minerals: Rich in minerals such as magnesium, iron, and zinc.

- Vitamins: Contains vitamins B complex (including B1, B2, B3, B5, and B6).

19. Oryza Sativa (Rice) Bran Oil: (in Shampoo + Conditioner)

- Benefits for hair and scalp care: Rice bran oil helps improve hair elasticity and manageability, preventing breakage and split ends. Its high vitamin E content nourishes the scalp, promoting healthy hair growth.

- Minerals: Contains significant amounts of minerals like magnesium and phosphorus.

- Vitamins: Contains vitamin E.

20. Passiflora Edulis Seed (Passion Fruit) Oil: (in Shampoo + Conditioner)

- Benefits for hair and scalp care: Passion fruit oil can help nourish the scalp and strengthen hair follicles. Its high content of vitamin C aids in collagen production, which is essential for maintaining the strength and elasticity of hair. Vitamin A helps in the production of sebum, which keeps hair moisturized.

- Minerals: Contains minerals such as potassium and iron.

- Vitamins: Rich in vitamins A and C, both known for their antioxidant properties.

21. Peppermint Essential Oil: (in Shampoo + Conditioner + Moisturizer + Scalp Massage Oil + Hair Growth Oil)

- Benefits for hair and scalp care: Peppermint oil has a cooling effect that helps soothe irritation and inflammation on the scalp. Vitamin A supports the production of sebum, ensuring the scalp remains moisturized and healthy.

- Minerals: Contains minerals like manganese and iron.

- Vitamins: Contains vitamins A and C.

22. Vitamin E Oil: (in Hair Growth Oil)

- Benefits for hair and scalp care: Vitamin E oil is known for its antioxidant properties that help repair and build tissue, promoting healthy hair growth. It nourishes the scalp and strengthens hair follicles, reducing hair fall and improving overall scalp health.

- Minerals: Acts as an antioxidant, protecting the scalp and hair from damage.

- Vitamins: Contains vitamin E.
